Southern Highlands Jazz-Fest 2022 Program

They say jazz is the sound of surprise and our afternoon Jazz Party sessions on Saturday and Sunday aim to provide just that!

As well as our featured invited bands, SH! Jazz will bring you an afternoon program each day - a garden of unexpected delights as we follow in the great tradition of international jazz parties. We will mix and match our festival musicians into specially curated and themed sets. If you haven't experienced a Jazz Party before, be ready for lots of fun with musicians in combinations never seen or heard before. MC is Tilly Street, a superb jazz singer, who will also join in the jazz party sets. She's a rising star in Sydney, but is originally from the Southern Highlands.

Expect combinations of trumpet, guitar, vibes, trombone, saxophone, clarinet, flute, piano, bass, drums and male and female vocalists.
